### RECOMMENDATION

It is recommended that the Board adopt the attached resolution authorizing the County Manager to execute the Second Amendment to the Tri-Party Agreement by and among Miami-Dade County (the "County"), the City of Miami (the "City") and Bayside Center Limited Partnership ("Bayside"). Further, it is also recommended that the Board authorize the County Manager to execute Composite Amendment Six to the American Airlines Arena Agreements among the County, the Miami Heat Limited Partnership and Basketball Properties, Ltd. ("BPL"). Composite Amendment Six extends to October 24, 2003 the date for BPL to exercise their development rights regarding Parcel B. The conditions of the Second Amendment to the Tri-Party Agreement contains the necessary provisions to facilitate BPL's voluntarily relinquishing their rights to develop Parcel B so that it may become a public open space.

### BACKGROUND

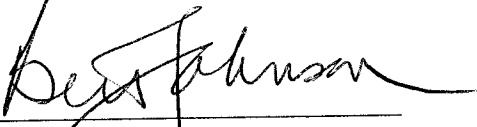

The Tri-Party Agreement was executed in support of the American Airlines Arena Agreements by providing certain rights and responsibilities for the construction of the facility and appendage thereto. The American Airlines Arena Agreements provide for the planning, design, construction, operation and management of the Parcel B Retail Complex. The Parcel B Retail Complex consists of the following components: (1) up to 70,000 rentable square feet of permanent retail space and attendant service facilities (the "Parcel B Permanent Retail"); (2) carts, kiosks, and other retail/food merchandising units which are semi-permanent in nature and Event Carts present outside the ticket secure zone on the Entire Site excluding the Roadways (the "Parcel B Temporary Retail"); (3) facilities for transient maritime docking along the eastern seawall (the "Marine Facilities"); (4) a Baywalk; and (5) Open Space.

Pursuant to the terms of Composite Amendment Five adopted by the Board on July 10, 2003, the date for BPL to execute their development rights was retroactively extended to October 1, 2003 to provide an opportunity to structure an agreement eliminating Parcel B to be utilized as public open space. The attached resolution recommends that upon the acceptance of the City and Bayside, the Second Amendment to the Tri-Party Agreement be executed no later than October 20, 2003. This Amendment shall release all parties of any liability or responsibility for the planning, design, construction and operation of and the funding for the Pedestrian Bridge.

Composite Amendment Six to American Airlines Arena Agreements extends the time period for the approval, valid execution and delivery by the parties to the County of the Second Amendment to the Tri-Party Agreement so that BPL can make an informed decision regarding surrendering their Parcel B development rights on or before October 24, 2003. Furthermore, upon approval of the Second Amendment to the Tri-Party Agreement, Composite Amendment Six shall terminate BPL's rights and obligations under the Arena Agreements to the Parcel B Retail Complex in order for the County to utilize Parcel B for the preservation of public open space as recommended by Mayor Alex Penelas in his Memorandum dated July 7, 2003.

Subsequent to proper execution of both documents as delineated in the attached resolution, I will present to the Board for your consideration a plan to develop Parcel B as an open public space in support of the vision that the voters endorsed when the American Airlines Arena project was initiated.

3. The parties desire to modify and amend the terms and provisions of the Bayside Agreements, as hereinafter set forth.

**NOW, THEREFORE,** for and in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledge, the County, the City and Bayside hereby agree as follows:
